

Welcome to Starting Point

Dear Parents and Carers,

On behalf of myself and the Nursery Team I would like to warmly welcome you to Starting Point Child Care Centre. Thank you for choosing our nursery to take care of your child. I am sure that you will be pleased with the service that we provide and we very much look forward to working alongside you in the future; 'Parents as Partners'

Upon starting their nursery journey, your child will be assigned a Key Person. The Key Person will be your 'go-to' person should you have any questions or queries about your child's learning and development, as the role of the key person is to almost step into your shoes and become the primary carer in your absence. They will get to know your child and track their development, plan activities that will continually encourage your child to reach their full potential and build a strong working relationship with yourself.

Our staff team are all fully qualified in Children's Care, Learning and Development ranging from Level 2 to Level 6. All members of staff are fully Paediatric First Aid trained, prevent trained, bias trained, Food Hygiene and Safeguarding Children trained. They also have an area of responsibility designated to them.

Some have extensive additional training including; Advanced Safeguarding training, Special Educational Needs, Speech and Language Development, Sign language & level 2 in forest schools to mention but a few.

We are dedicated to Continuous Professional Development and constantly update our knowledge and skills both as a staff team and as individuals.

Thank you

Julie Jervis

Nursery Manager
