From September 2017 funding for free early education entitlement is changing. In addition to the universal offer of 15 hours free entitlement most working parents of three and four year olds will be eligible for an additional 15 hours per week – giving them a total 30 hours free childcare.

Parents should visit the [Childcare Choices](#) website to find out if they are eligible for the extended entitlement. If you are eligible you will be issued with an eligibility code, you should take this to Starting Point who will then be required to validate the code.
