

Schools Partnerships Offer

Title	Description	Year Group	Duration	Session type	Gatsby Benchmarks
Assemblies	We're excited to present our college, offer to your pupils. Our presentation can range from a Cheshire College overview to detailed talks on pathways such as T-Levels and Apprenticeships. Assemblies can be customised for each school's preferences, focusing on hands-on vocational courses if desired and can be delivered to year groups or smaller classes. We're flexible in our approach and eager to tailor our content to your needs.	8,9, 10, 11	Flexible: 10 – 30 minutes	Presentation	2,7
School drop-in sessions	We're here to visit schools for informative sessions about Cheshire College. Whether students are undecided or have questions about our offerings, entry requirements, or applications, we're ready to help. Sessions can be in-person or virtual and can also be scheduled weekly if preferred by the school.	10 & 11	Flexible	Information, support & guidance	3,7,8
Careers Fairs	We're delighted to assist in any upcoming careers fairs at your school. This provides an opportunity for your students to discover Cheshire College and explore the post-16 options we provide.	8, 9, 10, 11	Flexible	Information, support & guidance	1,2,5,7,8
Campus Tours	We can arrange campus tours for individuals or small groups of students interested in general or specific subject areas. Tours are also available after 4 pm for those who prefer a quieter environment. Please inform us if your students would like this option, so that we can accommodate their needs. Additionally, we extend campus tours to school staff who guide students on career paths, showcasing our courses, facilities, and equipment.	10 & 11	Flexible: 30 minutes to 1 hour 30 mins	Campus Tour	3,7,8
Digital Hub Bus	Using our digital hub bus, we can attend schools, careers, and future events. This bus enables us to conduct college sessions, specific course talks, and workshops for revision or applications. It also showcases our equipment and facilities through the digital hub initiative. Each session accommodates 10-12 pupils.	8 -11	Flexible	Workshop	2,7
Application support sessions	We've conducted application workshops for both small groups and full classes of students, aiding those who face application challenges. We're open to regular sessions, either in-person during form time, assembly, or lunchtime, or virtually for convenience.	11	Flexible 30 minutes -1 hour	Information, support & guidance	3, 7, 8

Mock Interviews	We provide mock interviews for students to enhance their interview skills and confidence, benefiting both college and career interviews. Our sessions are flexible to fit your timetable and ensure broad participation.	9-11	15-30-minute interviews	Workshop	3, 5, 7, 8
Career and Apprenticeship guide Drop Offs	We can arrange to deliver comprehensive career guides containing all necessary information for prospective students and their parents. This will cover our course offerings, diverse pathways, and available support, including free transport and educational assistance.	11	n/a	Drop off	2
Parents Evenings	We can participate in parents' evenings to discuss our courses and pathways. This provides an opportunity for students and parents to learn, ask questions, and receive additional support.	10 & 11	1-3 hours	Information, support & guidance	1, 3, 7, 8
Options Evenings	We're available for year 8/9 and year 11 options evenings, offering guidance and information about careers and future steps.	8/9 & 11	1-3 hours	Information, support & guidance	1, 3, 7, 8
Green Careers week	During Green Careers Week (6th-11th November), we're eager to collaborate on various activities. This includes Green Career workshops, competitions, and talks aimed at raising awareness about diverse environmentally-focused career options. Get in touch to discuss different options.	8,9, 10 & 11	Flexible	Workshop	2, 5, 7
Friendly Face	The aim of this initiative is to provide students with someone familiar from their previous school who can offer support if they encounter challenges while adjusting to college life. We invite school staff to attend on selected dates in September. Please contact us for further information.	CCSW students	Selected dates in September	Support	n/a
Subject specific sessions	We're eager to provide subject-specific sessions for student groups interested in our College courses such as specific A Level subjects Engineering, Health & Social Care and Travel & Tourism. If you have a specific course in mind, let's discuss it further.	10 & 11	1-2 hours	Workshop	2, 5, 7

Providers Access Legislation: We are more than happy to explore and assist with meeting your schools PAL requirements. If you want to discuss in further detail how our offer can meet those requirements, please do not hesitate to get in touch.
