

Cheshire College South & West

CCSW Academic Regulations – Part A

Awards offered by the College for Students on Taught Programmes

1. Principles

- 1.1 The College offers the Higher Education awards listed below; other awards may be added as approved by Academic Board, and subject to programme approval and / or validation.
- 1.2 The College has the capacity to offer awards in conjunction with its Higher Education partner institutions (University partners), under specific validation and franchised arrangements.
- 1.3 N.B. Please be aware that where awards are delivered through franchised or validated arrangements partner institution academic regulations should be observed and applied.**
