*terms and conditions apply

Our free transport service is available to all 16-18 year old full-time students (inclusive of 19+ continuers and learners aged 19-23 that are funded through the EHCP) who live over a mile away from the Campus they study at. Where a College Coach service exists, this is the only service that the College will subsidise.

We recommend you apply no later than **28th August 2025** to ensure your transport arrangements are in place for September. By applying for your bus pass, you agree to the free transport terms and conditions. These are on pages 13-18 of this booklet.

There are three different options available: -

- Option 1 College Coach Services

- Option 3 County Council Transport Services

Terms and Conditions of Free Transport Services

<u>1 – General</u>

- The College aims to provide safe and reliable ways for learners to access their learning at The College.
- Learners must complete an application form to reserve their travel pass.
- Whilst every reasonable effort is made to continue the smooth running of transport services, there are circumstances beyond our control (such as bad weather and road closures) that could interrupt or disrupt the service at short notice for which the College cannot be held liable.
- Learners must always take full responsibility for their travel pass and must show them when requested.
- Learners living within one mile of The College will not be entitled to a travel pass.
- Learners found not to be using their travel pass will have their travel pass withdrawn.
- Whenever learners board a bus, be it a college bus or public service, they must show the driver a valid pass and their ID.
- After the 19th of September 2025, learners that fail to show a college coach bus pass when requested will not be able to travel on the service and will be liable to make their own way into college.
- Transport information is correct at the time of publishing however costs, routes, and pick-up points may be reassessed at any time for operational and efficiency requirements.
- The College reserves the right to take any other measures they consider necessary to protect the safety and comfort of other learners and staff including temporary or permanently banning the learner from travelling with us following an incident of misconduct.
- The College and the bus operators cannot be held liable for any loss or inconvenience to learners if they do not adhere to the terms and conditions of transport services.

- All transport services are an extension of the college, and behaviour will be recorded with disciplinary action taken if necessary.
- If a learner is in breach of these regulations, they may be removed from the bus by a college staff member, bus driver, police officer or community support officer and refused further travel.

2 - Type of Pass Provided

- Learners living within reach of a College bus route via a safe route will only be provided with a college bus pass. A safe route can include a walk along a road with a pavement, a safe cycle route on a road, or being dropped off by a parent/guardian.
- Learners not living within one mile of a college bus stop will be provided with a public service pass where reasonable. The type of public service pass a learner receives will depend on their home location and is chosen by the College.
- Learners will only be entitled to a college bus pass or a public service pass, not both.
- When applying for a pass, learners address details will be checked to ensure the correct pass has been applied for.
- Learners will only be issued with one pass for their main home address, which must match on the data system.
- All bus passes are non-transferrable, and students found to be attempting to use another learner's pass, will have the pass removed.
- Dual passes for split households are only available subject to capacity on the required second bus service, and a fee of £50 will be incurred. We require a statement by email from a listed parent/guardian contact to confirm the address of the second address, and the transport route required.

3 - Lost Passes

- If a learner loses their college coach bus pass, they must replace it, and a fee may be incurred. Any learner without a college coach bus pass will not be able to travel.
- If a learner loses their public service pass, they must purchase a replacement through the online store. Stagecoach replacement passes are £25, and Arriva passes are £15. All lost public service passes are cancelled remotely and will no longer be able to be used if found. Please make sure that you are certain that the pass is lost, taking all reasonable actions to search for it, before purchasing a replacement.
- If a learner loses a public pass that has already been replaced before, they are liable to pay the full cost of the pass. These prices vary and are set by the operator.
