

Cheshire College  
South & West

# Schools Partnership Offer

## Assemblies & Workshops

Years 8–13

Our presentations can be adapted to suit your school's needs—from a general overview of Cheshire College to in-depth sessions on specific pathways, including Apprenticeships, A Levels, T Levels or Higher Education. We can customise assemblies and workshops to align with your preferences, ensuring relevant and impactful content for your students.

## Drop-in Sessions & Application Workshops

Year 11

We are available to support students with their College applications and answer any questions they might have through school drop-in sessions or application workshops, delivered on a regular basis or a one-off session.

## Career Fairs

Years 8–13

We'd be delighted to support any of your upcoming career's fairs, offering students the chance to learn more about Cheshire College and explore the wide range of post-16 options available.

## Campus Tours

Years 10–11

We are pleased to showcase our cutting-edge facilities and equipment through personalised campus tours for individuals or small groups including our brand-new Institute of Technology (IoT) building at our Crewe Campus. We are also able to accommodate tours after 4pm for those who prefer a quieter environment.

**Cheshire College  
South & West**

## **Career Guide** Year 11

We offer detailed career guides for prospective students and their parents, covering everything they need to know about Cheshire College – South & West. Our digital 2026–2027 guide is available to download on our website. Please let us know if you wish to receive hard copies of the guide.

## **Parents & Options Evenings** Years 9–11

We are available to attend your years 10–11 parents' evenings and year 9 options evenings where we can connect directly with pupils and their families to share all that the College has to offer.

These events are a fantastic opportunity for students and parents/carers to ask questions, explore future options, and discover the personalised support available to help them take their next steps with confidence.

## **Friendly Face** Careers Leaders/Heads of Year/Teachers

We would like to invite School staff to visit the College to meet their Schools Link, explore collaboration opportunities, and see our recent developments – including the new Institute of Technology (IoT) building at our Crewe Campus. The visit may also include the chance to catch up with former students who now study with us.

## **NEET** Years 9–11

Support with enhanced transition for students at risk of becoming NEET (RONI) (not in education, employment or training).

## **Teacher Encounters**

We are offering CPD opportunities for School staff to meet with College tutors to share best practice and build curriculum links.
