1. Cheshire College – South & West Higher Education Transparency Data.

1.1 Cheshire College South and West are required to publish transparency information as part of its registration with the Office for Students. This information is published in accordance with OfS Condition F1: Transparency Information. The information published on this page shows the number of students who attained a particular degree or other academic award, or a particular level of such an award, on completion of their course with us.

1.2 It shows these numbers by reference to:

1.2.1 sex

1.2.2 ethnicity

1.2.3 socioeconomic background, using the English Index of Multiple Deprivation 2025

1.3 The data relates to UK-domiciled students who qualified in the 2023-24 and 2024-25 academic years. The information has been produced by the Office for Students using individualised student data returned through the Student record and the Individualised Learner Record. The data is rounded and suppressed by the Office for Students before publication.

2. Notes for readers

2.1 The figures should be read with care as some values are rounded or suppressed. Suppression is used to protect individuals where student numbers are small.

2.2 The following non-numeric values may appear in the tables:

2.2.1 [none] There are no students in the population, or there are two or fewer students.

2.2.2 [low] There are low numbers of students, where there are more than two but fewer than 23 students in the denominator.

2.2.3 [DPL] Data has been suppressed for data protection reasons due to a low numerator or headcount.

2.2.4 [DPH] Data has been suppressed for data protection reasons due to a high numerator close to the denominator.

2.3 Because the data is rounded and suppressed, figures should not be used to calculate precise totals or percentages.

3. Table IA: Attainment of classified first degree qualifiers

3.1 Table IA relates to classified first degree awards. Cheshire College South and West does not have reportable classified first-degree attainment data for this table in the 2023-24 and 2024-25 qualifying years. The OfS-supplied values for this table are therefore not reportable and are shown as [none].
