ORDERING YOUR UNIFORM

Every Cheshire College student has a responsibility to wear appropriate and respectful clothing at all times in order to carry out the practical tasks and projects that may take place throughout the academic year.

If you are enrolling onto a course that requires a uniform or kit, you must place your order as soon as possible as you will need to be in full uniform no later than October half term, otherwise your place on the course could be at risk.

If you need protective clothing (PPE) for your course as part of your uniform you will need to order this at your earliest convenience as you won't be able to enter Workshops or Kitchens without this equipment.
